

**START**

COLOR A SQUARE FOR EACH DAY YOU READ.

Plant a seed, read

**FINISH**

**YOU DID IT! Well done!**  
Keep reading to help solve the mystery poster. →

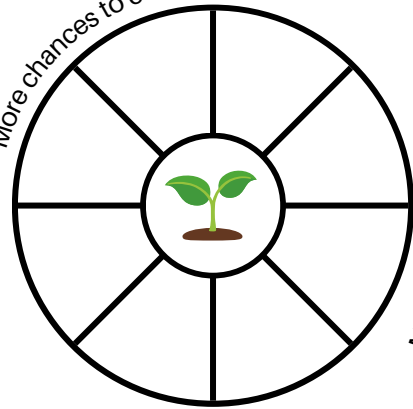

COMMUNITY GOAL:

# SOLVE THE MYSTERY

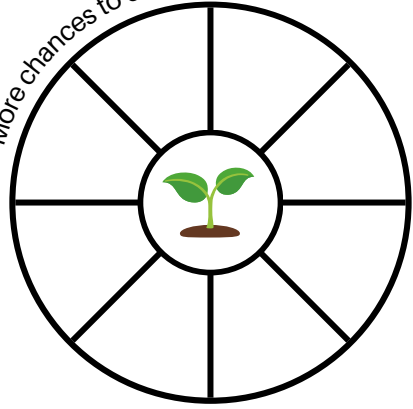

In the Children's Room of the Greenfield Public Library there is a poster with a mystery picture. The picture can only be revealed with YOUR help.

In addition to earning ice cream coupons this summer, you will also earn stickers for every 10 days you read. Come into the library to get your stickers and help solve the MYSTERY POSTER on the bulletin board.

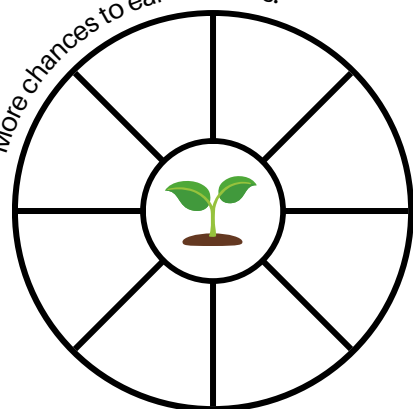

More chances to earn stickers!

More chances to earn stickers!

More chances to earn stickers!

## How does the Children's Summer Reading Program work?

- For kids age 0-12, reading is tracked by **days read** (instead of minutes or books). **ANY** amount of reading that day counts-- independent or shared! Keep track on a paper tracker game board like this one (reverse). Trackers will be available in person and online starting June 17, 2026 when sign ups start.

**The reading program starts June 17 and ends August 1, 2026.**

- **Every reader registered can earn up to TWO ice cream coupons** to Ice Cream Alley. One after **10 days read**, another after **20 days read**. Days read *do not have to be in a row*. Show your tracker in person in the Children's Room to get your coupons.

### **\*NEW THIS YEAR\***

- **THE MYSTERY POSTER** Will you help reveal the mysterious picture in the Children's Room? For each 10 days you read this summer you **earn stickers to add to the mystery poster**. The stickers will come together to show the picture on the poster. But there are almost 4000 STICKERS! We need your help. LET'S ALL WORK TOGETHER TO SOLVE THE MYSTERY!

## How do you sign up for the Children's Summer Reading Program?

Families with kids age 0-12 can register in person in the Children's Room, through the QR code below, or online at <https://greenfieldpubliclibrary.org> starting June 17. The GPL Children's Summer Reading Program runs from June 17-August 1, 2026.

Sign up and start  
June 17th!
